

PRODUCT TECH SHEET

Autoform Development / Shelby Cobra CSX4000

Autoform Development has established a reputation for building automobiles and automotive products that are second to none. Paying meticulous attention to the smallest details, Autoform has earned the right to say that when Autoform builds a automobile, it is truly "Simply The Best From any Perspective".

(Below are pictures of the Cobra CSX4000 being built at the Autoform production facility.)

If you would like Autoform to build a Cobra CSX4000 for you give us a call or call Midwest Motorsports at 616-335-8881 to get the turn-key car of your dreams!
